

Drama Workshop: 2019

Department of BBA(H), Institute of Engineering & Management, Salt Lake has organized a Drama Workshop, DRAMPET under the guidance of Prof.SaikatChakrabarti and Prof.LavanyaDeepikaTigga.

Purpose: The very aim of the above mentioned workshop is to enable the students of the BBA(H) Department to get acclimatized with the Management “Role-Playing” in an intricate manner. Though not immediately related to their University curriculum, this workshop is expected to help them to interpret the different personalities in the business world and their mode of communication which are very important for a management student. It will also help them in handling the day-to-day activities as well as managing contingency situations in terms of dealing with Human Resources.
