

**Industry Visit of BBA (H) Final Year Students at Britannia Industries,
Taratala**

Department of BBA (H) organized an industry visit at Britannia Industries, Taratala factory for their final year students. The very aim of this visit was to give a practical exposure to the students. Also, the aim was to give an exposure of different practices in the manufacturing industry. The experience of the visit helped the students in understand the production process, packaging, quality management, manpower handling, scheduling etc. which they read in the theory.
